Visitors Policy

Members may invite visitors (with an official handicap) to compete in all Club competitions. Members should contact the Captain, Vice-Captain or the Manager before inviting visitors for

any competition event. Visitors are eligible to win prizes except the major Club Trophies, Monthly Medal or Club Championship.

Social Members of the club who are financial members of another club and who wish to play in Fairbairn Golf Club competitions must enter as a visitor and pay a Visitor Competition fee which includes a green fee component.

Golf Etiquette

There are four main areas of etiquette, which are Course Care, Safety, Consideration for Others, and Pace of Play. Pace of Play is becoming increasingly important and further information can be found at <https://www.golf.org.au/etiquettesection> it should take approximately 4hrs to play a round of golf.

Course Care

A very important part of etiquette is the care of the golf course and all players should be mindful of all aspects of course care. A few moments of courtesy during a round will assist the club significantly in the way of ground staff time and costs, and ensure a more pleasant round for all golfers.

Greens Care: The most important aspect is the repair of pitch marks - the longer a mark stays unrepaired, the longer it takes to mend.

Repairing Divots: Sand buckets are available at the starting tees to prevent an unfair lie for other players and also damage course equipment. A sand bucket **MUST** be carried at all times and used to repair divots.

Smoothing Bunkers: Leave bunkers in good condition for following players. Do not place the rake against the inside edge of the bunker as

this may cause difficult lies for others and potentially awkward rules situations. Rakes are to be placed in the center of the Bunker with handle in the direction of play.

Golf Carts:

Golf carts can be damaging to the course if not used carefully. Keep away from green surrounds and teeing grounds, do not drive through damaged or wet areas and only drive where directed. The clubs Cart Policy can be found in the Club By-Laws.

Safety and Consideration for Others

Safety and consideration should be commonsense, but take note of the following:

- Before playing a stroke or taking a practice swing, always ensure that no-one is in your line of play or near your swing path.
- If your ball is headed towards someone else, shout "FORE", golf's universal warning, as loudly as possible.
- When grounds staff are working ahead, wait until they acknowledge your intentions before hitting towards them.
- Try not to move, talk or create any disturbance or noise while another person is about to play.
- Ensure mobile phones or pagers are turned off, or on silent.
- In the interest of all golfers, players should play without delay. Players searching for a ball should allow other players coming up to pass them; they should signal the players following them to pass, and should not continue their play until those players have passed and are out of range.
